HEALTH OF LIVE-STOCK DURING MAY 1950.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Anthrax, Foot and Mouth, Hæmorrhagic-septicæmia, Sheep-pox, Contagious-goat-pleuro-pheumonia and Rabies were encountered in the State during May 1950. Rinderpest was encountered in Hosanagar and Shikarpur Taluks of Shimoga District. Altogether 296 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 279 villages during the previous month. The number of outbreaks was highest in Kolar, Bangalore and Mysore Districts while Hassan, Shimoga and Chikmagalur Districts were least affected. These diseases accounted for 1,029, attacks of which 609 succumbed, as against 1,751 attacks and 787 deaths during the previous month.

The Departmental staff undertook 29,714 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease, as against 28,725 inoculations and vaccinations during the previous month. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Diseases caused by internal parasites were reported from 184 villages resulting in 101 deaths, as against 136 villages accounting for 69 deaths during the provious month. The special staff attached to the Parasitic disease control units and the Sheep Breeders' Associations of the Department dosed 11,301 animals, as against 11,189 animals during the previous month.

The rest of the Live-stock remained free from diseases during the month and fodder and water were generally available throughout the State.

Press Note.

Important issues relating to the selection of candidates for Technical and Vocational Training and the Courses to be prescribed for such training were discussed at a meeting held in the chambers of the Minister for Law and Labour at the Mysore Secretariat on the 26th June. The meeting was attended by Janab Abdul Quadir, Regional Director of Resettlement and Employment, Madras, Mr. Pedersen, Chief of the Asian Field Office on Technical Training, I.L.O., and officers of the Mysore Labour Department. The Financial and Law Secretaries to Government, the Director of Industries and Commerce in Mysore, the Superintendent of the Occupational Institute at Bangalore and the Deputy Director of Resettlement and Employment in Mysore, were also present.

The Regional Director explained the general scheme of training as approved by the Government of India and the details of courses of study as proposed for adoption during the next two years. The Hon. Minister suggested that Power-loom Industry be included in the list of subjects to be taught and that arrangements be made for providing training for women in subjects like Cane-weaving, Coir-matting, etc.

About 350 candidates from Mysore State are expected to benefit by this Scheme, Training will be imparted, to begin with, partly at the Jalhalli Training Centre near Bangalore and partly at the Indian Institute of Science. By the end of the calendar year it is proposed to locate the entire Training Centre in the buildings now occupied by the Central Industrial Workshop, near the Mysore Secretariat. The total cost of the Scheme is estimated to be about Rs. 1,67,500 per annum, which the Central Government and the State Government have agreed to meet in the proportion of 3 and 2.

Two suggestions made by Mr. Pedersen, that each important industrial concern might, as in U.S.A. and U.K., run its own special training classes in the evenings, and that regular Apprenticeship Courses, spread over a reasonably long period, might be prescribed for each job, were referred to the Director of Industries and Commerce in Mysore, and the Commissioner of Labour respectively for examination and report.

RINDERPEST IN THE STATE.

After a period of nearly seven years since the last widespread ravage of Rinderpest disease in the State, reports of this disease are being registered since October, 1949. From October 1949 to February 1950 of the last official year, as many as 17 outbreaks of the disease were registered in the Districts of Hassan (Belur, Arkalgud, Alur and Saklespur Taluks), Chitaldrug (Holalkere and Hosadurga Taluks) and Chikmagalur (Chikmagalur Taluk), recording a total number of 264 attacks and 141 deaths from all the outbreaks. As a result of stringent control measures adopted by the Department, whose staff visited all the infected villages and their neighbourhood promptly and inoculated 5,449 cattle in the 17 infected villages and 7,914 cattle in as many as 37 uninfected villages in the immediate neighbourhood of the infected ones, the disease was nipped in the bud as and where it occurred, although there was every indication of the infection assuming the role of a major wave which is now due.

During the current official year, the disease made its reappearance in the State during the month of May and to date, as many as 15 outbreaks have already been registered with a total number of 194 attacks and 107 deaths from all the outbreaks, the infection being confined at present to the Districts of Shimoga (Hosanagar, Shikaripur and Channagiri Taluks), Chitaldrug (Davangere and Haribar Taluks) and Hassan (Hassan Taluk). The Department has already taken necessary preventive measures both in infected villages and their immediate neighbourhood with a view to checking the spread of the disease to the rest of the State and despite the dearth of qualified hands, special staff have been posted to these districts from the disease-free areas of the same and other districts. As many as 6939 inoculations have already been undertaken in all the infected villages apart from protecting 8693 cattle in 39 disease-free villages of the immediate neighbourhood, with a view to checking any spread of the infection to the rest of the State and further inoculation work is being continued. The District Magistrates have prohibited the gathering of cattle in the important cattle shandies in the infected areas as also the movement of cattle from infected villages. With the preventive measures already adopted and being continued, the disease appears to be already well under control and it is hoped that the infection will not spread to other areas.

As the conservation of cattle wealth is of the greatest importance especially now when every endeavour is being made by Government to increase food production, the public are requested to co-operate with the staff of the Animal Husbandry Department in their efforts at controlling the present outbreaks and their further spread by promptly reporting to the departmental representatives in the Hoblis, Taluks or Districts, all contagious diseases of cattle and by getting them all inoculated with the least possible delay.

All inoculations are being undertaken free of cost, and the public are hereby informed that no remuneration of any kind need be paid to the departmental staff for the purpose.

(P.N. No. 77—D. 1-7-1950—7,701-800).

Press Note.

In view of the delayed rains in the Taluks of Gundlupet and Chamarajanagar, scarcity of fodder is felt and the Government are, therefore, pleased to throw open the State Forest of Mule-Hole Budipadaga and other adjoining State Forests for free grazing and free removal of cut grass by carts until further orders.

The tendered rate should be for work to be done as per standard specifications approved by the Department and for using the best quality of materials.

The work should be completed in all respects within fifteen days from the date of acceptance of tender.

The quantities as estimated are only approximate and are liable to alterations, omissions, deductions or additions at the discretion of the officers of the department. The tendered rates will hold good for any quantity whether higher or lower than those estimated for.

The right of rejection of any or all the tenders without assignment of a reason therefor, rests with the undersigned.

Within eight days of the acceptance of the tender, the successful tenderer will be required to execute the agreement in the departmental schedule contract form for the due fulfilment of the contract.

The successful tenderer will have to pay 5 per cent of the estimated amount towards security deposit before executing the agreement along with 5 per cent security deposit at the time of awarding the work.

LEVY OF FEE FOR APPLICATION, PETITION, APPEAL, ETC.

No. 3199—50.51 P.S.C. In pursuance of Government Order No. E. 3385-3465—R. & P. S. 15-49-4, dated 30th June 1950, and Notification No. E. 3466—R. & P. S. 15-49-5, dated 30th June 1950, issued by the Education Secretary to Government and published in the *Mysore Gazette* dated 6th July 1950, levying a fee of one rupee for every application, petition, memorial and appeal for appointment, transfer of names from one approved list to another, change of unit, second chance of appointment, grant of exemptions from age-limit, knowledge of Kannada, required qualifications for any post, etc., it is hereby notified that for applications to be sent to this office in response to this Notification No. 3195—50 51 P.S.C., dated 3rd July 1950, calling for applications for vacancies advertised as Sl. Nos. 358 to 416, published in the *Mysore Gazette* dated 6th July 1950, and to other subsequent notifications published by this office and also for petitions, memorials and appeals to be sent to this office in future, the fee as prescribed above should be remitted into a Government Treasury under the Head "Other receipts under 4 Miscellaneous XIII Miscellaneous" and the Treasury Receipt obtained therefor should be sent with the application or petition or memorial or appeal.

There should be separate application for each appointment. Each petition or memorial or appeal should contain only one subject. No claim for refund of the fee paid shall be admitted under any circumstances.

There will be no change in the existing application form for appointment but mention should be made at the end of the application form as to whether the prescribed fee of one rupee is remitted into the Treasury and the Treasury receipt is sent and, if so, the name and place of the treasury to be clearly indicated. Mention should also be similarly made in every petition, memorial or appeal.

No notice will be taken of the application or petition or memorial or appeal in case the receipt for having paid the fee is not attached thereto.

No cash payment or Money Order or Postal Order or Cheque will be accepted.

Applications which are not in response to any specific notification calling for application for appointment will not be considered, even though the prescribed fee is paid and the receipt attached.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 6th July 1950.

DECONTROL OF PAPER.

The Government of Mysore have cancelled with immediate effect the following Control Orders namely :—

(1) The Paper Control (Economy) Order, 1946.
(2) The Paper Control (Distribution) Order, 1944 and.
(3) The Paper Price Control Order, 1946.

With this, all control orders regarding paper have been withdrawn.

(P. N. No. 83—dated 6-7-50—8301-400).

Press Note.

Dated 6th July 1950.

There has been a misapprehension about the Government Notification dated 5th July 1950, transferring certain Officers of the Electrical Department who were in the Trolley Bus Scheme Section. The Trolley Bus Scheme has not been abandoned. The work of surveying and estimating the cost of the Scheme having been completed, the Staff employed on this work have been transferred to other places. Tenders have been received for the Trolley Bus Scheme and are now under the consideration of Government. This is the correct position.

(P.N. No 84—dated 6-7-1950—8,401-8,500).

Press Note.

Dated 7th July 1950.

The attention of Government has been drawn to certain criticisms containing insinuations that Government have been partial to the new company, *viz.*, Messrs. The Mysore National Contractors and Suppliers Co., to whom the contract for supply of fuel to Bangalore Corporation has been entrusted for one year from 1st January 1950, and that gross injustice has been done to the old Company who were the supplying contractors for the previous year. The criticism is baseless and totally opposed to facts as explained below :—

When tenders for supply of fuel were called for, both the old and the new Companies sent in their tenders. The old Company wanted to supply in accordance with the ms of their previous contract, *viz.*, that they should be en the sole monopoly for supply of fuel into Bangalore y, while the new Company agreed to supply without h a condition. The new company was therefore allowed supply fuel from 1st January 1950, and the system of nopoly supply was done away with.

Free movement of fuel of all varieties except casuarina s been allowed from taluk to taluk in Bangalore District d free trade in such fuel is now allowed within the limits Bangalore Corporation. Private volunteer supplies ve not been refused so far.

urther there is no truth in the allegation that the nt Company have been allowed to supply by cing the rate by Rs. 2 per ton. The tender rate by the present Contractors were the then existing iz., Rs. 32-8-0 for first class fuel and Rs. 24-2-0 for jungle fuel and these rates have been accepted have not been changed subsequently. It is hat the Company are giving annas eight extra bove what was being paid by the old Contractors liers, with a view to inducing larger supplies. Government only pay them the accepted rates and nothing more.

The previous contractors also were supplying green fuel in the previous years. On account of practical difficulty in securing dry fuel, it has not been possible to insist upon supply of dry fuel from the present Company. They have, however, been instructed to supply dry fuel as far as possible.

There has been no change in the quantity of petrol issued to lorries per trip. It is generally limited to 7 gallons per trip except in very exceptional cases where the distance is beyond 40 miles from Bangalore, when about one gallon extra per trip is allowed. The same procedure was being adopted even during the time of the old Company.

Government wish to assure the public that there is no scarcity of fuel at present in Bangalore City and Civil Station as alleged. On the other hand, large quantities of fuel are moving into the City consequent on the removal of monopoly supplies and many petty fuel shops have sprung up. The concessions extended to private dealers in fuel have not been withdrawn. Apart from supplies through the private depots, the fuel secured through the present contractors is being sold to the public at controlled rates through Government Depots, licensed Depots and Societies. Further, a reserve stock of about 5,000 tons has been built up at the Government Reserve Depot to meet any emergency. There is, therefore, no anxiety in this respect.

The Company have, in accordance with the terms of the agreement, furnished a deposit of Rs. 40,000 in the shape of Government of Mysore 4 per cent Conversion Loan Bonds (1953-63), duly endorsed in favour of the Director of Food Supplies.

Press Note.

Payment of outstanding claims in respect of supplies made and services rendered to the Undivided Government of India up to the date of partition.

The following extract from letter dated 12th May 1950, from the Government of India, Ministry of Industry and Supply, on the above subject is published for the information of the public :—

"A question was raised whether the claims on bills in respect of the supplies despatched by the contractors against the 'F.O.R. Station of despatch' contracts, before the 15th August 1947, but actually received by the consignees in Pakistan, after the 14th August 1947, should be met by the Government of India or that of Pakistan. The matter is under correspondence between the Ministry of Finance, Government of India, and their counterpart in Pakistan. Pending a final decision, the suppliers concerned in the matter should be informed that payment for supplies received by the consignees in Pakistan after the 14th August 1947, even though the supplies had been despatched by the contractors before the 15th August 1947, is the legal liability of the Government of Pakistan, who should be approached in the matter. The supplies of the nature specified above do not come within the purview of the Press Communique dated the 23rd May 1948 issued by the Partition Secretariat, Government of India, on the subject of 'Claims of Undivided Government of India Procedure prescribed.'

Water has been allowed for monsoon irrigation in the two low-level canals from Krishnaraj Sagar on the night of the 10th July.

As decided at the meeting of the Krishnaraj Sagar Working Committee, it is proposed to allow water in the Visvesvaraya Canal on the 15th July for raising seedlings and water will be stopped after seven days. It will be opened again on or about the 5th of August for monsoon irrigation should the situation regarding flow improve.

Press Note.

Import of Kabuli & Gulabi varieties of Gram into the State.

It was announced in the Press Communique dated 13th January 1950, that as large stocks of gram bought on Government account were on hand, the issue of permits for import of Kabuli and Gulabi varieties of gram into the State by merchants had been discontinued.

The 'Hurigadale' (fried gram) manufacturers in the State have now represented that they are not getting the required variety and quantity of gram for carrying on their business. As the Ministry of Food, Government of India, have decided not to recontrol these varieties of gram, the State Government have now ordered that the ban imposed on the issue of permits for import of Kabuli and Gulabi varieties of gram into the State be lifted.

It is, therefore, notified for the information of those interested that permits for the import of the above varieties of gram will be issued by the Director of Food Supplies in Mysore, Bangalore, on application.

Press Note.

Steel Allotment to the State and distribution of the same to the Public.

There have been frequent complaints from the public in the matter of obtaining iron and steel materials and the methods of distribution in force. It should be realised that owing to the unsatisfactory steel supply position in the country the State is being allotted only a meagre quota of 425 tons per quarter (637 tons in Pd. III—50 only) for non-agricultural use, and hence it is necessary to restrict releases for construction purposes to the barest minimum and to the most urgent and *bona fide* applicants.

The iron and steel required for agricultural purposes is now met from a separate quota specifically set apart for that purpose and this quota is operated by the Food Commissioner in Mysore, Bangalore. The Government have carefully reviewed the position and are following certain principles for the distribution of the available supplies, as under :—

I The maximum release of steel for public utility buildings constructed by the general public is 2 tons per quarter.

Note.—If a person has more than one house, application from him for iron and steel for new houses will be discouraged.

II The requirements of the Government Departments, Local Boards and Municipalities, are being met to the extent possible, according to availability of materials.

III Release of galvanised sheets is being made by the Deputy Commissioners to the public of respective districts according to availability of quota.

IV Release of steel to manufacturers of consumer goods is made on the basis of recommendation of the Director of Industries and Commerce in Mysore, Bangalore, according to availability of steel. Release of steel to these manufacturers depends on the quota allotted to the State in each quarter.

V Applications for release of steel for construction of houses, should be accompanied by detailed plans approved by the Municipal authorities or other competent authorities as the case may be. Applicants requiring steel in small quantities for windows, etc., *i.e.*, 10 cwts. and less, should send their applications through the Local or Municipal authorities.

VI Applications for release of steel for construction of Cinema Talkies, Theatres, Coffee bars, Restaurants, etc., will not be considered until the steel supply position improves.

It is needless to say that every effort is being made to distribute the limited supply of steel equitably to *bona fide* consumers.

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Tender Notice.

Sealed tenders, are invited by the undersigned up to 2 P.M. *on 3rd August 1950*, from firms or persons intending to undertake the forwarding of overseas foodgrains to the stations in Mysore State from the Madras Harbour.

2. The new procedure of allocation and delivery of imported foodgrains is as follows :—

(i) The Regional Food Commissioner, Madras will intimate in advance the quantities of imported foodgrains to be supplied to Mysore during any month on receipt of which financial arrangements for remitting the cost of the allotment will be made by this administration.

(ii) Despatch instructions will then be communicated to the representative of this Government, selected for forwarding of foodgrains and movement has to be arranged as per priority indicated by this office.

2. The selected firm has to receive imported foodgrains to check and receive the supplies of foodgrains loaded into waggons, and issue consignee receipts on behalf of this Government.

3. The selected firm will have to indent for waggons in consultation with the Assistant Director (Clearance) and in accordance with the programme of despatches indicated by the Regional Food Com issioner and this office.

4. The agent will have to do all documentation work in connection with the forwarding of foodgrains allotted to us. Loading of foodgrains into the transports will be made by the Assistant Director (Clearance)/Clearing Contractors.

5. The agent appointed will have to deposit the prescribed fee for the registration of waggons with the Railways concerned.

6. The agent should also check the number of bags loaded into a waggon and obtain "clear" receipts from the Railways and he must also supervise the weighment of waggons.

7. The agent should be agreeable to carry out the work entrusted to him to the satisfaction of the undersigned and keep him informed of the progress of despatches daily. It may be noted in this connection that it is not possible to estimate specifically the quantity of overseas foodgrains expected to be handled by the agent, since allotments of foodgrains are made to the State by the Ministry of Food at stated intervals, *i.e.*, every month, towards the ceiling quota.

8. The contract will be in force till the end of December 1950 and intimation of shipments carrying cargo for Mysore State will be given to our agents, soon after the information is received from the Regional Food Commissioner, Madras.

9. The selection of the firm is subject to approval by the Government of Mysore.

10. The successful tenderer should execute an agreement and furnish a security of Rs. 1,000 in due fulfilment thereof.

11. The rate per ton quoted by the tenderer should be consolidated and include charges for postage, payment to tally clerks, extra stitchers, sweepers, etc., wherever necessary besides handling charges.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 18th July 1950.

Articles in sections of the Press have been published asking that sufficient care should be taken to replace deteriorated wooden or steel poles that have been used in the electrical distribution systems of towns and villages in the State. In order to allay the fears of the public in this behalf, the Electrical Department wishes to make it known that every precaution is being taken to examine all the old poles that have been erected years ago and such of those that require replacement are being periodically replaced. At present, more than 1,00,000 poles are in service in the distribution system throughout the State. The public are assured that every thing possible is being done to see that no dangerously deteriorated pole is allowed to exist in the distribution systems as far as practicable.

The following Press Note issued by the Government of India on the subject of Streptomycin treatment in Tuberculosis is republished for general information :—

"With the advent of streptomycin in the field of treatment of tuberculosis, the attention of the public has been focussed on this drug to a degree out of all proportion to its value in the treatment of the disease. Although the treatment of certain specific types of tuberculosis by this drug has been proved to be efficacious, yet in so far as the treatment of pulmonary tuberculosis with this drug is concerned, the types of disease in which the drug can be of use have not been clearly defined. Indiscriminate and careless use of the drug in cases of tuberculosis renders the patient unamenable to treatment by the drug if it becomes necessary to repeat the treatment at a later date. Besides, ill-effects have known to have occurred to patients who are sensitive to the drug. In view of these facts, the drug has still to be considered dangerous and its use should, therefore, be restricted only to certain types of tuberculosis and by those who have experience in selecting suitable patients for this treatment."

Press Note.

Dated 21st July 1950.

As measure of relief to the atchkatdars who have suffered on account of the failure of wet crops under the Srirampura Hirekere tank in Hosadurga Taluk owing to non-receipt of adequate supply of water to the tank consequent on the scanty rains, seasonal remission of half wet assessment amounting to Rs. 549-15-0 is sanctioned in respect of an extent of 221 acres 28 guntas under the tank for the year 1949-50.

Press Note.

Dated 21st July 1950.

The Government of India have issued amendments to the Motor Spirit Rationing Order, whereby the *basic quota* of petrol to cars is enhanced by 50 per cent.

As the Mysore Motor Spirit Rationing Order is an adaptation of the Order issued by the Central Government, corresponding amendments to the same have therefore to be made in the Mysore Motor Spirit Rationing Order. A Notification amending the Order is accordingly issued in this behalf.

Press Note.

Dated 22nd July 1950.

In view of the topical interest that has arison in cholera-like diseases prevalent in many places in India, it is worthwhile to present the experience of the Bangalore Public Health Institute in the epidemic of cholera recently prevalent in some towns and villages of the Mysore State. In Kankanhalli, cholera attacks were reported in November 1949, and in view of the vigilant preventive measures undertaken by the Health Department, it was quickly brought under control. However, a second epidemic of cholera, started in February and March 1949 when quite a few attacks and some deaths occurred in the same town. Bacteriologically the examination of the excreta of the persons suffering from the disease were negative, at first but persistent bacteriological examination by serial passaging through selective media, enabled the Institute to isolate after the fourth or the fifth attempt, a strain of cholera identified as the Inaba strain of the vibrio. A similar experience occurred in Koratagere, a town in Tumkur District. There was an epidemic of cholera-bacteriologically positive, in April and May. After a lull of about over a month, a second epidemic started with about twenty attacks and four deaths. Here also persistent bacteriological experimentation was necessary to isolate the vibrio cholera from vomites or excreta of persons attacked by the disease. A sample of water taken from a standing shallow basin in the river bed, showed contamination with cholera vibrio (a chance of what one might call, one in a million)

inoculation. But unless other precautions against the attack of the disease by avoidance of all infected raw food articles, eradication of the fly population by DDT., complete sterilisation of water, heating raw milk before use, etc., are observed, one can be attacked by cholera even though protected by preventive inoculation.

Press Note.

Fears had been expressed in certain quarters that the Krishnarajasagara Reservoir may not fill in, though the season is normal. Providence has been kind and the Reservoir has picked up level rapidly and it stands today at 6 A.M. at 112 feet. The following figures are the Reservoir levels in the previous years on 26th July :—

1948	...	110.14
1949	...	102·28
1950	...	112·00

As already notified, water supply has been allowed in the two low-level channels from 10th July continuously and in the Visvesvaraya Canal from 15th July for a week.

In view of the storage in the Reservoir, it is decided to give continuous supply of water in the Visvesvaraya Canal from 5th August onwards.

The raiyats may start their agricultural operations with confidence of continuous supply of water. The raiyats are requested to co-operate with the Public Works Department authorities in the regulation of water supply and in the economic use thereof.

It is also notified that illumination at Brindavan Gardens will be resumed as usual on Saturdays and Sundays.

Press Note.

Ever since the introduction of control over fuel, the monopoly of supplying fuel to Bangalore City, was being entrusted to contractors after calling for tenders. The public are hereby informed that this monopoly has been done away with effect from 1st January 1950. The present contractors, *viz*, the Mysore National Contractors and Suppliers' Company, Bangalore, are only required to supply a certain quantity of fuel monthly for Civil Consumption in Bangalore. Private persons can therefore import into and trade in fuel without any restriction as to price, within the limits of Bangalore Corporation or Bangalore North and South Taluks, or open fuel shops after obtaining Municipal licenses.

2. The following restrictions, however, will continue to be in force :—

(i) Fuel cannot be transported by rail to Bangalore or for export outside the District, except when it is consigned to the Special Officer or to the Mysore National Contractors and Suppliers Company, or when it is covered by a Permit issued by the Special Officer.

(ii) The transport of casuarina fuel in the District of Bangalore and in Malur Taluk, Kolar District, is not allowed except under a Permit issued by the Special Officer, Fuel Supplies, Bangalore.

(iii) Transport of fuel from hiduvali lands and forest areas should as usual be covered by Mafi-Pass obtained from the concerned Amildars and licenses from Forest Officers, respectively. But in cases of such supplies to the Special Officer, Fuel Supplies, Bangalore or to the Mysore National Contractors and Suppliers' Company, Bangalore, a Permit obtained from the Special Officer, Fuel Supplies, shall be deemed to be sufficient for transporting fuel into the limits of Bangalore Corporation.

(P.N. No. 100—27-7-1950—10,101—200).

Press Note.

In view of the improved storage in the Krishnarajasagara Reservoir and the improved inflow which is in the order of 98,000 cusecs, water has been allowed in the Visvesvaraya Canal for irrigation from to-day instead of from the 5th of August 1950.

All arrangements have been made for proper regulation of water supply. The raiyats in the Visvesvaraya Canal area are requested to expedite their agricultural operations and complete the transplanting of paddy in the programmed area before the 15th of September 1950. The planting of sugarcane also may be started immediately.

The water level in the Reservoir to-day at 12 NOON stands at 122·3 feet.

Health of Live-stock during June 1950.

In their order of severity, outbreaks of Rinderpet, Black-quarter, Anthrax, Hæmorrhagic-Septicæmia, Foot and Mouth, Contagious goat pluro-pneumonia, Sheep-pox, Rabies and Ranikhet were encountered in the State during June 1950. Altogether 315 villages were reported to have been affected by one or the other of the above contagious and infectious diseases as against 296 villages during the previous month. The number of outbreaks was highest in Bangalore, Chitaldrug and Kolar Districts, while Shimoga, Hassan and Chikmagalur Districts were least affected. These diseases accounted for 1,284 attacks, of which 941 succumbed as against 1,029 attacks and 609 deaths during the previous month. The Departmental staff undertook 42,028 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention, other prophylactic measures were adopted against Foot and Mouth disease.

Rinderpest took a somewhat serious turn during the month and as many as 7 outbreaks were registered in Davangere, Haribar, Hosanagar and Shikarpur Taluks accounting for 148 attacks and 77 deaths. Prompt measures of control were undertaken by the Department to check its spread and 15,049 cattle were protected against the disease, both in the infected villages and in their immediate neighbourhood extending over a radius of about 3 miles. The disease appeared to be well under control at the end of the month under report.

Diseases caused by internal parasites were reported from 191 villages resulting in 87 deaths, as against 134 villages accounting for 101 deaths during the previous month. The special staff attached to the Parasitic disease control units and the Sheep Breeders' Associations of the Department dosed 10,517 animals, as against 11,301 animals during the previous month.

The rest of the Live-stock remained free from diseases during the month, and fodder and water were generally available throughout the State.

Press Note.

It is hereby notified for the information of the public that the Ministry of Food, Government of India, have permitted the import of gram from Pakistan on Open General License, subject, however, to the movement and disposal of gram so imported to India being governed by the rules under the Basic Plan.

2. Under the Food grains Import Control Order of 1949, applications for permits to import gram from Pakistan into this State should be accompanied by documents to prove that the stocks are Pakistan origin.

3. After the stocks get into this State, their movement and disposal will be subject to the control of this Administration.

2762

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 29th July 1950.

The issue prices of foodgrains in force in the State from 4th September 1948 are as set out below :—

Rice.— I variety	...	2½ seers per rupee.
II variety	...	3 seers per rupee.
Millets	...	5 seers per rupee.
Wheat	...	2½ seers per rupee.

2. Ever since the inception of food operations in the State, Government have been incurring very heavy losses by subsidising the sale of foodgrains, imported as well as acquired locally, the amounts of losses so incurred from 1943-44 onwards being as follows :—

			Rs.
1943-44	...	...	71,691
1944-45	...	...	23,17,751
1945-46	...	...	30,12,440
1946-47	...	...	1,76,76,124
1947-48	...	...	75,23,052
1948-49	...	...	1,50,61,703
1949-50	...	...	1,26,00,000

The above losses are in addition to (1) the share of subsidy on imported foodgrains borne by the Government of India and (2) the cost of administration of Food Supplies Department, amounting to Rs. 30 lakhs per annum, which is being met entirely from general revenues. This constitutes a very heavy drain on the finances of the State which it can no longer bear. On the other hand the retail prices of foodgrains in the neighbouring Indian States have all along been fixed on the principle of " Service at cost " and actually the retail rates in these States are higher than those in Mysore. Taking all these circumstances into consideration and in view of the present financial difficulties, it has been decided, with the concurrence of the Government of India, to revise the issue prices of rice and millets as follows with effect from 1st August 1950 :—

Rice.— I variety	...	2½ seers per rupee.	(2½ Seers).
II variety	...	2¾ seers per rupee.	(2¾ Seers).
Millets ...	...	4½ seers per rupee.	(4½ Seers).

Even the revised prices as above are substantially lower than and compare favourably with the corresponding rates now in force in the neighbouring States of Madras and Bombay as well as in the Union of Travancore and Cochin.

The existing issue price of wheat at 2½ seers per rupee is however kept unaltered with a view to make it available to consumers at a comparativley low rate.

Even with the above revision of prices the anticipated loss on food supply operations in 1950-51 is around Rs. 70 lakhs, inclusive of the administrative charges and after taking into account the subsidy relief obtained from the Central Government. This is on the basis of the existing level of offtakes only without providing for subsidy on additional quantities of foodgrains which on account of the adverse seasonal conditions in the State this year may have to be imported from outside. Government have had to undertake this revision of issue prices with the utmost reluctance. It is however calculated that the addition to the monthly expenditure on foodgrains for an average family of 5 persons, over and above what is being incurred at the existing rates, are comparatively slight, as the following figures will indicate.

.....	Expenditure on foodgrains at the present level of prices.	Expenditure at the revised rates.	Difference
A Class.—	Rs. a. p.	Rs. a. p.	Rs. a. p.
Rice	8 7 6	9 6 10	0 15 4
Wheat	4 8 0	4 8 0	
B Class.—	Rs. a. p.	Rs. a. p.	Rs. a. p.
Rice	5 5 4	5 13 9	0 12 2
Wheat	3 0 0	3 0 0	
Millets.	4 8 0	4 11 9	

The public will readily appreciate from the above facts and figures that the slight increase in the expenditure on food for an average family is justified by the substantial relief to the finances of the State.

3. At the same time it has been necessary to revise the present composition of rations so as to adjust the consumption to available resources until the next harvest. Against an actual import into Mysore of 1,30,000 tons of foodgrains in 1949 the Central Government allotted one lakh tons at first and revised it subsequently to 75,000 tons. Out of this only 25,000 tons of rice was allotted to Mysore but so far only 15,500 tons have been supplied. On account of the very difficult position for rice all over India and of the uncertainties of imports from overseas, we have been advised by the Centre to adjust the consumption of rice for the rest of this year to the existing resources. In these circumstances and as a temporary measure, readjustment of rations by a slight decrease of the rice component has become unavoidable. Since the supply position of wheat is expected to be more satisfactory, it is proposed not only to make up the deficiency in rice by wheat but also to step up the overall scale of rations by half an ounce, as set out below :

.....		Existing scale of rations.	Revised scale of rations.
A Class.—			
Rice ...	...	6·0 oz.	5·5 oz.
Wheat ...	...	3·0 oz.	4·0 oz.
		9·0 oz.	9·5 oz.
B Class.—			
Rice ...	...	3·7 oz.	2·4 oz.
Wheat ...	...	2·0 oz.	3·8 oz.
Millets ...	...	5·8 oz.	5·8 oz.
		11·5 oz.	12·0 oz.
Heavy Manual labour.	Rice	3·7 oz.	2·4 oz.
	Wheat	2·0 oz.	3·8 oz.
	Millets	8·8 oz.	8·8 oz.
		14·5 oz.	15 0 oz.
Plantation labour.	Rice	6·0 oz.	5·5 oz.
	Wheat	1·0 oz.	2·0 oz.
	Millets	4·5 oz.	4·5 oz.
		11·5 oz.	12·0 oz.

The above revision of the scale of ration will be brought into effect from 1st August 1950. It will be seen that while the rice component of the ration has had to be reduced, this quantity has been made up in wheat and further the overall scale has been revised from 9·0 oz. to 9·5 oz. and from 11·5 oz. to 12·0 oz. per adult per day to the 'A' and 'B' classes respectively. It will also be appreciated that the replacement of rice by wheat is to the advantage of the consumer, inasmuch as the retail price of wheat has been kept unaltered at 2½ seers per rupee while revising the selling price of rice and millets. Government are also endeavouring their very best to secure an additional quota of wheat from imports and will, as soon as the same materialises, revise the overall scale of rations by a further half an ounce in the case of "A" Class, thereby bringing up the overall quantity of rations to them from 9·5 to 10·0 ozs. The reduction in the rice component being purely temporary will be restored as soon as the supply position improves.

MISCELLANEOUS DEPARTMENT.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13 dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period

not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

Sealed tenders will be received by the Chairman, City Improvement Trust Board, Bangalore, up to 4 P.M. on the 28th August 1950 for "Forming a layout in the Jayamahal Grounds, Bangalore."

2. The estimate amount will be Rs. 1,79,000. The tender form can be had from the office on payment of annas four only (Re. 0-4-0) per form. Tenders offering on percentage basis on the estimated amount will be rejected. Tenderers must quote their rates against the items in the abstract form both in figures and words. No consideration will be given to any application for enhancement of rates during execution of works for the tendered items.

3. Each tender shall be accompanied by a countersigned Treasury Chellan for having credited a sum of Rs. 5,000 to the Bangalore District Treasury, Bangalore, towards earnest money deposits under "V-Local and Other Funds 10 (d) Bangalore City Improvement Trust Funds for the works" and the tender should be clearly superscribed as "Tender for forming a layout in the Jayamahal Grounds, Bangalore." On acceptance of the tender the successful contractor must deposit a further amount of Rs. 4,000 (Rupees four thousand only) to make up the 5 per cent deposit of the earnest money on the estimated amount.

4. The final acceptance of the tender will rest with the Government of Mysore, who do not bind themselves to accept the lowest tender or to assign any reason whatsoever for the rejection of any tender or all the tenders.

5. Stipulated progress must be given from the very commencement of the work failing which the contractor is liable to be fined and to forfeit his earnest money and finally his contract being cancelled without further notice.

6. Items not provided for in the estimate will be calculated on schedule of rates in current or as per data worked out during the execution of the work.

7. The work is to be completed by the end of April 1951.

8. Quantities given are not guaranteed.

9. Controlled articles such as steel, cement, etc., will be supplied by the Department if available and usual centage will be charged.

10. The tender amount will be forfeited to the Board, if the tenderer backs out after his tender is accepted or if he fails to execute the work satisfactorily in time and also the contract is liable to be cancelled. If the contract is cancelled and other arrangements are made for the execution or completion of the work, the tendered contractor will also be held liable for any loss or extra amount of expenditure that may have to be incurred or paid to other agency executing the work.

Dated 5th August 1950.

The Third Anniversary of the Independence Day falls on Tuesday, the 15th August 1950. This day has already been declared a Public Holiday.

Following the decision of the Government of India, it has been decided that the celebrations on the Independence Day this year also should be on a modest scale and should consist only of a Flag Hoisting Ceremony at all District and Taluk Headquarters in a simple and dignified manner.

It is requested that, as in previous years, the day may be observed solemnly as a day of service.

All Industrial Employers are requested to fall in line with the policy of the Government to grant a Paid Holiday to Industrial Workers on the 15th August 1950, in connection with the celebrations of Independence Day. It is, however, suggested that employees may work on the preceding or following Sunday to make up the loss of production on the 15th August 1950.

(P.N. No. 111—Dated 5-8-1950—X 1201-800).

Press Note.

Dated 3rd August 1950.

The Hon. Sri K. T. Bhashyam, Minister for Law and Labour, was on a visit to Delhi on the 30th July and returned to Bangalore on the 2nd August.

During his stay at the capital, he interviewed the Ministers Shris C. Rajagopalachari, Jagjivanram, Munshi, Mehtab, Deshmukh, Gopalaswami Iyengar and Santhanam, besides calling on the members of the Planning Commission Shris V. T. Krishnamachari, Gulzarilal Nanda and G. L. Mehta.

The object of his visit was to press the case of Mysore State for financial assistance from the Centre for Electrical and other industries besides development schemes like Irrigation and Rural Electrification, Power for Irrigation purposes, etc.

The Government of India expressed themselves generally in favour of the schemes and the need for pushing them through. The Central finances, however, being what they are and the Dollar situation being not altogether easy, the financial help that could be expected of them can only be limited. But such help as can be given will be given during September and October. Rural electrification will be crrried on vigorously during the year with the aid of the grants that may be so available and not limited only to the Budget grant.

The development of Electrical Industries such as High Tension Insulators, Transformers, Florescent lamps and incandescent bulbs, switchgears, etc., as outlined by Westinghouse experts has been favourably received and may be expected to be taken up early.

Cottage industries, particularly powerloom and handloom were discussed and the Industries Minister, Shri Hare Krishna Mehtab, expressed himself in favour of popularising the Japanese spinning plant for feeding cottage looms with yarn. A Japanese Spinning Plant of 1,280 spindles costs about Rs. 30,000 and working 8 hours a day it can feed 45 powerloomsp er day producing 90 pieces or 2,160 yards of cloth per day. The same unit hitherto installed is costing Rs. 3 lakhs. The saving is effected by the substitution of durable and treated timber and bamboo, wherever possible in place of steel.

It is not likely that any further amounts can be found this year by the Centre for Labour Housing. It is, however, hoped that a few lakhs of rupees may be made available out of grants to Part B States when they are made in September this year.

It has been urged on the Planning Commission and the Ministry of Railways that out of the Railway Reserve Fund from Mysore, a sum of Rs. 50 lakhs should be made avai- able for the Electric Trolley Bus Scheme in Bangalore. The matter has been promised sympathetic consideration both by the Chairman of the Planning Commission and by the Minister for Railways.

The Food Minister, Shri Munshi, was sympathetic towards our demands for the allotted quota of rice and an additional quota of foodstuffs. We are likely to get during September about 5,000 tons of the promised quota of rice and later about 20,000 tons of milo and wheat as additional quota. It may also then be possible to issue an addition quarter of a seer of wheat per rupee with a view to encou age wheat which is available in preference to rice whic is not.

There were several other matters of minor importa which needed attention. One of them was the transp facility for movement of Andaman Timber Poles from Orie where they are lying, to Bangalore for the Electri Department. Shri Santhanam promised to give the facili at once. Another was the return of deposit placed wi the Bengal Government in pre-partition days for supply rice to Mysore. A sum of about Rs. 2 lakhs is stated to available and has been promised to be returned at an ear date. Still another was the need for additional quota 50,000 gallons of petrol per month to meet the requiremen of buses and lorries in the State. We are likely to get i

Certain suggestions were made such as the raising funds from rural areas by way of national saving s control of cocoons and stabilisation of prices of availability of funds for technical training and t They will be examined and followed up.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Dated 31st July 1950.

Press Note.

TREE PLANTING.

Wide publicity has already been given in the Press Note dated 8th June 1950 making an appeal for undertaking an intensive tree-planting during this season and for the observance of Vanamahotsava during the first week of July. With a view to giving sufficient encouragement to the tree-planting, and recognising the efforts of individuals, institutions, villages and districts in implementing the intentions of tree-planting policy throughout India, the Government of India have announced the following prizes :—

PRIZES.

GROUP A—ALL-INDIA COMPETITION.

(a) A cash prize in the shape of National Savings Certificate worth Rs. 200 will be awarded to the individual who plants the largest number of trees during the Vanamahotsava Festival 1950.

(b) A Gold Medal worth Rs. 500 and a cash prize of Rs. 300 will be awarded to the individual whose achievement at tree-planting during every Vana Mahotsava Festival is judged to be the best in India taking into consideration the number of species of trees planted and the percentage of survivals for 18 months after the days of planting.

(2) A Travelling Shield of about Rs. 5,000 in value will be awarded to the District whose effort is considered to be the best in the whole of India. In judging the performance of the District, due weight will be given to the population of the District, its cultivable and waste lands and its location ; and

(3) A Travelling Shield worth about Rs. 2,000 will be awarded to an Institute (such as Clubs, Colleges, Universities, Charitable institutions, etc.) whose performance is judged to be the best in the whole of India.

GROUP B—RESTRICTED COMPETITION.

(4) A Junior Shield worth about Rs. 60 in value will be awarded to the Village in each District in India which has planted and preserved trees in the best manner possible.

(5) A Senior Shield valued at Rs. 150 will be awarded to the District in each State which has done the best in tree-planting.

The above prizes will be in addition to those that will be given by the State.

An earnest appeal is therefore made to individuals, institutions and village panchayets to take part in the tree-planting competitions and try to secure the prizes announced by the Government of India and make a mark in this national effort.

Individuals and Institutions who wish to compete for the prizes may give their names through the Amildars to the Deputy Commissioners of Districts so that the list of competitors may be communicated to the Government by 5th October 1950 and thereafter to the Ministry of Agriculture, Government of India.

The tree-planting programme is extended by the Government of India from 1st July 1950 till the end of 15th August 1950 and the results of the competition will be judged with reference to the progress secured till that date and the number of survivals of trees so planted.

The prizes will be awarded at the time of the inauguration of the Second Vana Mahotsava Festival in 1951.

Press Note.

Dated 2nd August 1950.

Activities of the Animal Husbandry Department for the Fortnight ending with 15th July 1950.

During the fortnight the Director of Animal Husbandry Services in Mysore, Bangalore, toured in the Districts of Shimoga and Chitaldrug in connection with control measures against Rinderpest, which had effected as many as nine villages in Shimoga District and ten villages in Chitaldrug District. He inspected the inoculation work now being undertaken by the special staff posted for the purpose, and issued necessary instructions to them in the matter of building up an effective barrier against the spread of infection to other areas. He also contacted the Deputy Commissioners, the Press and leading non-officials of the areas and requested them to co-operate with the staff of the Department in controlling this disease which was threatening to assume the proportion of a major wave, at a time when in the interest of increasing our food production, the conservation of our cattle wealth is admittedly a problem of no ordinary importance.

As a result of the prompt precautionary measures undertaken by the Department, no fresh outbreaks have been reported so far, while the prophylactic measures are being actively extended to wider belts and all road-side villages.

Lt.-Col. Shortt and Mr. Wells of the Imperial Chemical Industries visited the Mysore Serum Institute and Hessarghatta Grass and Stud Farm. Two talkie films on "Mastitis" and "Internal Parasites" were also arranged to be shown by them to the officers of the Department at the City Veterinary Hospital.

At the two Artificial Insemination Centres in Bangalore and Mysore, 115 cows were artificially inseminated. The Sub-centre opened at the Civil Station Veterinary Hospital, Bangalore, continued to work satisfactorily.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Dated 9th August 1950.

There have been, of late, some comments in the Press on the supposed delay on the part of the Government in executing the 'schemes of rehabilitation of refugees in the State. It is to be pointed out in reply that there has been no avoidable delay in putting these schemes through. The Government are earnestly tackling, at every stage, all questions connected with the relief and rehabilitation of the refugees in the State. Many details of major schemes like these have got to be worked out and a certain amount of time is necessary to finalise these questions in consultation with the Government of India. Two points made in the Press articles are that the 'Housing Scheme' has not been expedited and that there has been no substantial relief under the 'Loans Scheme'. Regarding the former, it has to be said that the work of construction of 200 houses for the refugees has been entrusted to the City Improvement Trust Board. The Chairman of the Board has been given an advance of Rs. 50,000 for the purchase of iron, steel and other necessary materials, and he has also been requested to intimate the amount of further advance required for disposal of bills, etc., if any, on hand. Regarding the 'Loans Scheme,' it has been ascertained from the Revenue Commissioner that there are nearly 300 loan applications and that out of the sum of Rs. 3 lakhs earmarked for this purpose, he has tentatively allotted loans to some refugees. He has also requested that at least a further sum of Rs. 12 lakhs might be provided for meeting the demands of all the refugees.

This question has been taken up with the Government of India. In the meantime, the Revenue Commissioner has been requested to entertain whatever executive staff is necessary for the work and to disburse loans to the extent sanctioned according to the circumstances and needs of the case.

Government fully appreciate the needs of the refugees and give the topmost priority to questions affecting their relief and rehabilitation. So far as educational facilities are concerned, necessary relief has been given to them to the extent possible.

Press Note.

Dated 10th August 1950.

ANTI-CORRUPTION WORK IN THE STATE DURING THE QUARTER ENDED 30TH JUNE 1950.

In pursuance of the policy of taking effective action to stamp down corruption in the services, Government were pleased to order the compulsory retirement of Sri T. M. Ramanayagam, Sub-Assistant Surgeon and Inspector of Dispensaries, whose guilt of charges such as, receiving illegal gratification for granting licenses, etc., was established beyond doubt.

Sri Siddappa Setty, Agricultural Inspector, Belur, was ordered to be removed from service on proof of charges of misappropriated iron flats detected to be in excess of stock balance in the Depot, etc.

The services of Sri Rajarathnam, Operator of Lingadahalli and responsible for the shortage of electrical goods, were dispensed with.

The Inspector, Davood Sheriff of Yediyur Hobli, on establishing of charges of drawing pay in the name of bogus peon and misappropriating the amount, was dismissed from service and the amount ordered to be recovered from the Insurance amount payable to him. The then Amildar and Sheristedar of Kunigal Taluk concerned have been administered a severe warning for their negligence in this behalf.

Allegations of corruption were levelled against the undermentioned Sub-Overseers and Clerk working in the Irakasandra Tank Works Sub-Division, Koratagere, and it was proved in the course of a detailed enquiry that they were obtaining illegal gratification from contractors for general favours shown to them. It was ordered that Sriyuts K Venkataramiah, T. Narayan and N. D Mohamed Akbar Saheb be compulsorily retired from service; Sri Venkoba Rao was administered a warning and in the case of Sri H. R. Suryanarayana Rao, Clerk, one increment is ordered to be stopped with a severe warning.

A sum of Rs. 9,508-8-0 has been ordered to be recovered from Sri T. Krishnaswamy, Agricultural Inspector and Secretary, Cotton Marketing Society, who was found to have misappropriated the funds of the Society, when he was its Secretary.

Sri T. C. Nagabhushana, District Medical Officer, who had unathorisedly occupied the office premises for his private purposes was ordered to pay 75 per cent of the rent from the date of occupation and further warned for such conduct.

Sri Srinivasa Iyengar, Depot Manager, Shantigrama, responsible for the shortage of foodgrains, was removed from service and his security amount adjusted towards the cost of the articles.

One Sheristedar was warned for having kept for his own use a Village Panchayet Radio.

In the case of Sri K. R. Ramachandra Rao, Veterinary Inspector, who was found indulging in objectionable language against Government servants and criticising the policy of Government, it is ordered that two further increments of this official be stopped besides reducing his present pay by one increment and that the official be warned that any repetition of such misconduct would result in his dismissal.

One Sub-Registrar of Bangalore City, who was reported to have been in the habit of recovering extra amounts over and above the prescribed fee for registration of documents was administered a strict warning that in the event of any irregularity in his work being noticed in future he would be dealt with severely.

One Sheristedar, who uttered deliberate falsehood in an enquiry, was ordered to be administered a warning.

Sri Aswathanarayana Setty, a merchant of T.-Narsipur, who was trapped and subsequently prosecuted for blackmarketing iron materials was convicted and ordered to pay a fine of Rs. 500, in default, to undergo five months simple imprisonment, by the First Class Magistrate, Mysore.

Sriyuts Venugopal and K. V. Lingappa, merchants, Malleswaram, who were prosecuted for selling adulterated butter, were each fined Rs. 25 by the Second City Magistrate, Bangalore.

A trap was laid and prosecution launched against Janab Latif Sab, Hardware Merchant, Asoka Road, Mysore, for selling iron rounds at blackmarket rates and he was convicted and sentenced to pay a fine of Rs. 50 by the First City Magistrate, Mysore.

On information that the Depot Managers of Yesavanthapur and Devarajeebanahalli were indulging in blackmarketing of food stuffs, traps were laid and the food stuffs sold otherwise than on ration cards and at rates higher than controlled, seized. Further action is being taken.

After completion of preliminary enquiries, charges are framed against one District Superintendent of Police, one Assistant Commissioner of Labour, one Assistant Engineer, one Amildar, one Police Inspector, one Police Sub-Inspector, one Sub-Assistant Surgeon, two Agricultural Inspectors, two Forest Rangers, two Revenue Inspectors, two Store-Keepers of the Executive Engineer's Office, one Sub-Overseer, one Inspector of Schools, one Head Clerk of the Office of the Inspector of Schools, two clerks of the courts and one Fieldman.

Press Note.

Dated, 11th August 1950.

In the course of a statement to the Press, Mr. L. Sundararaja Iyengar, President of the Central Committee of the K. G. F. Labour Associations, has referred to a discussion he had with the Law Secretary to the Government of Mysore in regard to the implementation of the recommendations of the Minimum Wage Committee. He informs the public that the Law Secretary told him that "in view of the Union Government's taking over the control of the K. G. F. Mines, the labour responsibilities have also been shifted to the Central Government. The Government of India have not yet extended its Minimum Wages Act to the States. Hence, the Mysore Minimum Wages Act was still in force and the Mysore Government could pass orders on the report submitted by the Minimum Wage Committee. But in case the Central Government extended its Minimum Wages Act to Mysore and pursue their own methods, it would be useless if under the circumstances the Mysore Government were to pass orders on the recommendations of the Committee. Hence the Government had to wait and see what action the Centre would take on the issue". The above statement, apart from being a misappreciation of facts, is likely to create a wrong impression on the mind of the public. With a view to remove such impressions, this Press Note is issued:

It was not stated that the Union Government has taken over the control of K. G. F. Mines and hence the labour responsibilities have also been shifted to the Central Government. All that the Law Secretary said was that after the inauguration of the Constitution, *viz.*, on 26th January 1950, the power to legislate on matters connected with the "regulation of labour and safety in mines and oil-fields" vests only in the Parliament of India and not with the State Legislature. Moreover, under the Industrial Disputes Act of 1947 which was introduced to the State of Mysore from 26th May 1950, the settlement of industrial disputes connected with the mining labour will also have to be dealt with by the Department of Labour of the Government of India. In fact, the Regional Commissioner of Labour of the Government of India, at Madras, has assumed charge of the Central Responsibilities in respect of mining labour in the State of Mysore.

The Mysore Minimum Wages Act was passed in February 1949—long before the introduction of the Constitution when Mysore had full powers of legislation over all labour matters including the mining labour; and early in May 1949, a Wage Committee also was constituted to fix the minimum wages for the mining employees in the K. G. F. area. But the recommendations of the Committee were received only in February 1950 by which time the Constitution had come into force. The Government feel that in the altered circumstances the question will have to be more appropriately dealt with by the Union Government. If, on the other hand, the Government of Mysore now fixed up the minimum wages in respect of the mining labour in K. G. F. Area it may lead to a controversy whether such action by the State Government would not amount to an exercise of legislative powers over an item which is under the exclusive jurisdiction of the Parliament. The question is, however, under examination and an early clarification is expected in this behalf.

The public, in general and the labour in the Mining Area in particular, are hereby assured that the State Government and the Central Government alike will not fail in their duty towards labour, as a solution of the question will not be long in coming.

No. S.P.C. 23647-667. Sealed tenders will be received by the undersigned up to 12 NOON on 12th September 1950, for the supply of Cocoanut Oil required for the Government Soap Factory, Bangalore.

Tenders submitted in response to this notice shall be subject to the following conditions :—

1 The price to be quoted should be per ton of 2,240 lbs. net; for delivery f.o.r., Bangalore, or for free delivery in the Factory, Bangalore, packed in sound non-leaky and returnable tins or drums. The containers will be returned only after the oil is used up.

2 The quantity required will be 60 tons delivered in four equal instalments commencing from 1st week of October 1950.

3 The material will be required to be delivered at the Soap Factory, Bangalore.

4 The quantity of oil required should be of the best quality and quite pure, water white. It should also be colourless and free from sediment and other impurities or adulteration and the oil should be quite suitable for soap making.

5 Three sets of sealed samples of the oil, pure, water white, free from sediments representing the bulk supply, should accompany the tender, without which the tender will not be considered.

6 Supplies made otherwise than in accordance with the accepted quality will be rejected at the contractor's risk and he will be required to replace the rejected supplies by correct material conforming to the approved quality.

7 Failure to make supplies in time and according to approved quality will entail cancellation of the contract and purchases being made from other sources at the risk and expense of the contractors. The extra cost, if any, incurred on account of such purchases will be debited to the defaulting contractors. In such an event, the Committee will also reserve to themselves the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

8 The successiul tenderer should be prepared to execute an agreement and deposit an amount of Rs. 500 as security for proper performance of the contract within 15 days from the date of receipt of the order.

9 Quotations should be submitted so as to reach here before 12 NOON on 12th September 1950. The quotations will be opened immediately after 12 NOON.

10 Tenderers should remit a sum of Rs. 100 as earnest money to the District Treasury, with necessary chellan form duly filled in and the fact duly noted in the tender. Any tender not complying with this condition will not be considered. Earnest money will be returned to parties after the tenders are disposed of in the case of unsuccessful tenderers, but in respect of successful tenderers only after the requisite security deposit is furnished.

6. As and when vacancies occur, candidates will be appointed in the order of assignment of their names in the approved lists.

6 (*a*) Candidates appointed as Veterinary Inspectors will have to qualify by passing the departmental obligatory accounts examination during the probationary period of one year in addition to professional examination as may be prescribed from time to time.

7. Intending candidates should submit their applications in duplicate in the prescribed form together with copies of testimonials and certificates (which will not be returnable) so as to reach the undersigned on or before the 18th September 1950.

8. A fee of one rupee is prescribed for every application in duplicate. The fee should be remitted into a Government Treasury under the Head "Other receipts under 4 Miscellaneous XIII Miscellaneous" and the Treasury receipt obtained therefor should be sent with the application.

9. The following particulars should also be furnished in the last column of the existing application form :

1. Whether the prescribed fee of Re. 1 has been remitted into the Treasury and if so the name and place of the Treasury to be clearly mentioned.
2. Whether the Treasury receipt is attached.

10. Under the heading "On what account" in the Treasury Chellan, the number and date of the Notification calling for applications as well as the kind and class of appointment applied for, should be given. In the case of vacancies advertised individually, the Serial Number of the vacancy should also be furnished.

11. No notice will be taken of the applications in case the Treasury receipt is not attached thereto.

12. No cash payment or money order or postal order of cheque or court fee stamp or any other stamps will be accepted.

13. Candidates already in service should submit their applications through their official superiors.

14. No notice will be taken of applications that are not in response to this Notification or are received after the due date or are not submitted in the prescribed form, or do not furnish all the particulars required in the various columns of the form even though the prescribed fee is paid and the receipt attached.

15. Candidates who wish to have an endorsement from this office should attach to their applications stamped and self-addressed cover or reply card.

16. Candidates who furnish false information in the application are liable to be debarred or dismissed from service.

(P. N. No. 124—18-8-1950.)

Press Note.

A large number of applicantions are being received in the Rationing Offices as well as in the Office of the Director of Food Supplies for (1) the conversion of 'B' Class ration into 'A' Class, (2) the substitution of rice or millets for the wheat component of rations, (3) the issue of full fine rice on ration cards and (4) special supply of cereals required for social functions, conferences, etc. While these requirements were till now being complied with as far as possible, it has become impossible in the present food position in the State, which calls for the strictest economy in the use of foodgrains, to meet such demands outside the regular rationing, as the stock of cereals available for consumption in the State is barely sufficient on the reduced scale of rations for two months.

With immediate effect, therefore, the substitution of rice or millets for wheat, the issue of full fine rice and any additional supplies outside regular rations are stopped and applications for the same will not be entertained.

The stock position of sugar is equally difficult, the quantity now available for consumption in the State being sufficient for 45 days only at the present low scale of issues. In the circumstances, the issue of any additional quantity of sugar for special occasions is definitely impossible and requests for the same will be automatically refused.

It is hoped that the public will appreciate the seriousness of the present food situation and extend their full co-operation to the Food Department by refraining from making requests involving increased consumption of cereals or sugar, as long as the present emergency lasts.

Press Note.

The Advisory Committee for Rehabilitation of Displaced Persons have proposed to allot 50 sites of different dimensions as noted below in Jayanagar Extension, Bangalore City, out of those reserved for refugees, to such of them as are prepared to pay the full site value before taking possession of the sites and construct houses thereon out of their own resources.

Sl. No.	Dimension and No. of sites	Probable cost	
		North block	South block
1	45'×90'=50 sites (25 in North block and 25 in South block).	at Rs. 5 per Sq. Yd. =Rs. 2,250	at Rs. 4 per Sq. Yd.,=Rs. 1,800
2	40'×60'=75 sites (25 sites in North block and 50 sites in South block).	at Rs. 5 per Sq. Yd. =Rs. 1,333-5-4.	at Rs. 4 per Sq. Yd.,=Rs. 1,066-10-8.
3	30'×50'=25 sites (in North block only)	at Rs. 3 per Sq. Yd.,=Rs. 500	.....

Applications are hereby invited from refugees registered in Mysore State possessing no sites or houses within the limits of the Corporation of Bangalore, either by themselves or their dependents for allotment of sites in Jayanagar Extension, subject to the conditions mentioned above.

The applications should be addressed to the Revenue Commissioner in Mysore, Bangalore, containing particulars among other things, relating to the dimension of site required, the Refugee Registration Number under which they have registered their names in the Mysore State and their present address. The last date for receiving the application is 15th September 1950.

Enquiry No. 10097.

Australian Tallow.

Gentlemen,

No. S.P.C. 23716-736. Sealed tenders will be received by the undersigned up to 10th September 1950, for the supply of 60 tons of Australian Tallow.

Tenders submitted in response to this notice will be subject to the following conditions :—

1 The rate should be per ton or cwt. net. Inclusive of the cost of containers and Sales Tax for delivery *f.o.r.* Bangalore. The successful tenderers should book the consignments to the address of the General Manager, Government Soop Factory and hand over the R/R to him well in advance to enable him to take delivery of the consignments. The Railway Receipts should be sent directly to the General Manager, Government Soap Factory, Bangalore and not through any bank or in any other way. In the case of local contractors the rate offered should be for delivery free in the Government Soap Factory, in which case the rate should include octroi. Payment will be made for the actual quantity of the material received at the factory is weighed, tested for quality and found satisfactory.

2 The tallow required should be sweet smelling without containing any burnt colour about it and should be free from adulteration and should be quite suitable for soap making.

3 The rate quoted should hold good for a period of one month from the date fixed for receiving the tender. Withdrawal from tender before the above period of after acceptance of the tender is communicated due to whatever causes, will entail forfeiture of earnest money deposit in connection with the tender.

4 For due fulfilment of the contract, the successful tenderers will be required to execute a stamped agreement within a week from the date of receipt of intimation that their tender have been accepted and to deposit Rs. 500 towards Security Deposit failing which the earnest money referred to in the following paragraph will be forfeitted to Government and order cancelled immediately.

5 Tenderers should remit a sum of Rs. 100 as earnest money to the District Treasury, with necessary chellan form duly filled in and the fact duly noted in the tender. Any tender not complying with this condition will not be considered. Earnest money will be returned to parties after the tenders are disposed of in the case of unsuccessful tenders, but in respect of successful tenders only after the requisite security deposit is furnished.

6 Triplicate samples of Tallow offered should accompany your tender.

7 Supplies made otherwise than in accordance with the quality will be rejected at the contractor's risk and he will be required to replace the rejected supplies by correct materials.

8 Failure to make supplies in time and according to required quality will entail cancellation of the contract the security deposit being forfeited to Government and purchase being made from other sources at the risk and expense of the contractors. Extra cost, if any, incurred on account of such purchases will be debited to the defaulting contractors. In such an event, the Committee will also reserve themselves the right to levy a penalty of 3 per cent of the value of the order as and by way of liquidated damages.

Tenders should be superscribed "Tender for the supply of Australian Tallow" with the above enquiry number.

The tenders will be opened at 12 NOON on the next working day after the closing date.

Local Indent No. 10763.

SUBJECT :—Your tender No. S.R. 10269, dated 28th July 1950 for the supply of Clocks and Time-Pieces for the Mysore Government Departments during the period ending 31st August 1951.

Gentlemen.

No. S.P.C. 26890. I write to request you to be so good as to enter order for the materials described in the undermentioned schedule at prices specified therein and arrange to make supplies on indents from such of the departmental officers as may require the materials and in such quantities as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the quantities to be actually drawn by the departments.

This contract will be in force from this date up to end of 31st August 1951 and the materials will have to be supplied throughout the said period at the prices accepted herein and no enhancement of the said prices for whatsover reasons can be granted.

Please note that the materials to be supplied should strictly conform to the specifications given in the Schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the specifications will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase Committee also reserve the right to levy a penalty, as and by way of liquidated damages of 3 per cent of the value of the order.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

Please acknowledge receipt of this communication. The above Local Indent Number should be quoted in all correspondence relating to this order.

The clocks and time-pieces to be supplied to the Director of Public Instruction in Mysore, should be inscribed with the letters "D.P.I."

You are requested to execute an agreement on a ten-anna Mysore Government Stamp Paper binding yourself to execute the contract satisfactorily and also deposit Rs. 100 as security.

Yours faithfully,
LOUIS DE SOUZA,

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

Hotel Krishnarajasagar at Brindavan, Krishnarajasagar Reservoir, is now open to the visitors as usual. The terraced gardens are being illuminated on week-end days, as before. The flood in the river Cauvery and in the sluices is at its height. The level of the Reservoir has also reached its maximum and is likely to remain at this level for some-time to come. Visitors may be assured of an enjoyable time at Hotel Krishnarajasagar. The fine elevation of the Hotel is one of its greatest charms. Guests can get a panoramic view of the countryside, the imposing spectacle of the dam, the rushing cascades of water and the enchanting gardens. The interior appointments of the Hotel and the cuisine leave nothing to be desired and the holiday visitor can be assured of the maximum amount of comfort during the period of his stay at Hotel Krishnarajasagar.

Bookings are open and it is very necessary that intending visitors should book their reservations at least a week ahead of their arrival.

Press Note.

Refund of Non-Judicial stamps purchased by Non-Muslims in West Pakistan.

Certain displaced persons purchased non-judicial stamps in West Pakistan but could neither utilise them nor apply for the refund of the value of their unused stamps to the respective Collectors in West Pakistan, nor could they submit such applications within the prescribed time on account of their sudden emigration to the Indian Union.

It has now been agreed between the Governments of India and Pakistan to make *ex gratia* payments in respect of such stamps purchased by evacuees residing in either country.

Displaced stamp-holders now residing in India are advised to prefer their claim applications by September 30, 1950, to the respective Deputy Commissioners of the Districts in which they are at present residing. Refund claims for the value of unused non-judicial stamps (subject to deduction of one anna for each rupee or portion of a rupee) will be admissible upon the claimant delivering the stamps to be cancelled, and proving to the Deputy Commissioner's satisfaction:

1. That the stamps were purchased by a *bonafide* evacuee from areas in West Pakistan (excluding the States acceding to it)
2. That stamps were purchased by such a person with the *bona fide* intention of using them, and
3. That they were so purchased within the period of *six months* preceding the date of his arrival in the Indian Union as an evacuee.

If the person was a licensed vendor of stamps in West Pakistan, the Deputy Commissioner, if he thinks fit, may refund the full value of the stamps in money actually paid by the vendor without any deduction.

Press Note.

Problems of Outstanding Interest pertainig to the Co-operative Department for the month of July 1950.

The ploughing and sowing operations have commenced in respect of the Co-operative Farming Societies noted below:—

1. Areballi Kaval Co-operative Farming Society;
2. Vonakemaradi Kaval Co-operative Farming Society;
3. Talikatte Kaval Co-operative Farming Society:
4. Uddur Aspathre Co-operative Farming Society;
5. Kumbhapur Co-operative Farming Society.

In all, more than 520 acres of land have been sown with Kesari jola, cotton, togari, ragi, navane and chillies. Arrangements are also a foot to organize an Agricultural Residential Co-operative Colony at Halaganahalli Date-Grove in Goribidnur Taluk, Kolar District, for the benefit of landless Harijan families. Sanction has also been accorded for implementing the scheme of Co-operative Farming authorising the Registrar of Co-operative Societies to operate on the funds of Rs. one lakh provided for the purpose during the current year, subject to the condition that the expenditure in respect of any one Farm should not exceed Rs. 25,000 with the direction that the three Co-operative Farming Societies in Chitaldurg District be treated as one unit for purposes of financial assistance and another Co-operative Society started in another district.

With a view to ameliorate the conditions of the silk handloom weavers in the State, the Mysore Provincial Silk Handloom Weavers' Co-operative Society, Ltd., was registered at Bangalore on 28th July 1950, with its area of operation extending to the entire State. At a meeting of

the weavers and those interested in the industry held during the month under review, as many as 200 shares of the value of Rs. 100 each have been subscribed for and a sum of Rs. 9,000 has already been collected towards share calls. Twelve leading gentlemen interested in the advancement of the industry were nominated as the first Board of Directors for a period of three years with *Rajasevasakta* Sri D. C. Subharayappa, B.A., B.L., as President. The Director of Industries and Commerce, the Director of Sericulture in Mysore and the Deputy Registrar of Co-operative Societies, Bangalore City Division, are all serving the Board as *Ex-officio* Directors.

With a view to bring together the disorganized members of the Telis Community into a homogeneous organization on Co-operative lines and assist them in the revival of Ghani industry which is now decaying, Government have sanctioned a scheme therefor. A Special Officer of the status of an Assistant Registrar of Co-operative Societies with necessary staff has already entered upon his duties to implement the scheme. The Indian Oil Seeds Committee, New Delhi, have agreed to bear their share of cost, that is, Rs. 7,152 being 50 per cent of the cost proposed by the Government for a period of one year in the first instance. Efforts are being made to organize societies for Telis.

Press Note.

Note on the outstanding features of Animal Husbandry Department for the fortnight ending with 31st July 1950.

During the fortnight under report, 3 fresh outbreaks of Rinderpest were registered in Davangere Town of Chitaldrug District, and in Sagar and Sorab Taluks of Shimoga District. The special staff posted to the disease affected areas in Shimoga and Chitaldrug Districts have, besides conducting 2,729 inoculations in infected villages, also protected 18,043 cattle in as many as 65 surrounding villages of Harihar, Shikaripur, Davangere, Jagalur and Sorab Taluks, where the spread of infection was apprehended. The creation of immune belts round about the infected foci and inoculation of cattle in all the road side villages are being pushed through speedily and intensively. The disease appears to be well under control now.

His Excellency the Governor of Madras accompanied by the Honourable the Finance Minister and the Honourable the Home Minister visited the Hessarghatta Grass Farm on 21st July 1950 and appreciated the present activities of the Farm and its immense potentialities for livestock breeding and research.

A piggery was started at Hessarghatta Grass Farm with a nucleus of 32 South African pigs presented to this Department by the Palace.

At the two Artificial Insemination Centres in Bangalore and Mysore, 98 cows were artificially inseminated. The sub-centre opened at the Civil Station Veterinary Hospital, Bangalore, continued to work satisfactorily.

OFFICE OF THE ADDITIONAL EXECUTIVE ENGINEER, CITY IMPROVEMENT TRUST BOARD, BANGALORE.

Notification dated 7th August 1950.

Sealed tenders will be received at the Office of the Chairman, City Improvement Trust Board, Bangalore, up

to 4 P.M. on 18th September 1950 for "Laying a Sewer line in the lay-out in Survey No. 33 of Sunkenahalli, near Gavipur Extension, Bangalore City."

2. The amount of the estimate is Rs. 37,940. The tender forms can be had from the office on payment of annas four per form. Tenders offering on percentage basis on the estimated amount will be rejected. Tenderers must quote their rates against each item in the abstract form both in figures and words. No consideration will be given to any application for enhancement of rate during execution of work for tendered items.

3. Each tender shall be accompanied by a counter-signed Treasury Chellan for having credited a sum of Rs. 1,765 to the Bangalore District Treasury, Bangalore, towards earnest money deposits under "V-Local and Other Funds 10 (d) Bangalore City Improvement Trust Funds" for the work and the tender should be clearly superscribed as "Tender for laying a Sewer Line in the lay-out formed in Survey No. 33 of Sunkenahalli, near Gavipur Extension, Bangalore City."

4. The final acceptance of the tender will rest with the Government of Mysore, who do not bind themselves to accept the lowest tender or any other or to assign reason whatsoever for the rejection of any tender or all the tenders.

5. Stipulated progress must be given from the very commencement failing which the contractor is liable to be fined and forfeit his earnest money and finally have his contract cancelled without further notice.

6. Items not provided for in the estimate will be calculated as per schedule of rates or as per data worked out during execution of work.

7. The work is to be completed within two months after tender is settled.

8. Quantities are not guaranteed

9. Controlled articles such as cement, etc., will be supplied by the Department if available and usual centage will be charged.

10. The tender amount will be forfeited to the Board, if the tenderer backs up when his tender is accepted or if he fails to execute the work satisfactorily and in time and the contract is liable to be cancelled. If the contract is cancelled and other arrangements are made for the execution or completion of the work, the tendered contractor will also be held liable for any loss or extra amount of expenditure that may have to be incurred or paid by the Board, by having the work executed or completed by other agencies.

11. The detailed estimate, plan, design and specifications may be seen at this office during working hours on all working days, and further particulars may be obtained from the Additional Executive Engineer, City Improvement Trust Board, Bangalore.

12. Tenders with conditional clauses will not be accepted.

SUBJECT :—Your tender No. S.R. 10269, dated 23th July 1950 for the supply of Clocks and Time-Pieces for the Mysore Government Departments during the period ending 31st August 1951.

Gentlemen.

No. S.P.C. 26890. I write to request you to be so good as to enter order for the materials described in the undermentioned schedule at prices specified therein and arrange to make supplies on indents from such of the departmental officers as may require the materials and in such quantities as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt.

The contract will be deemed to be limited to the quantities to be actually drawn by the departments.

This contract will be in force from this date up to end of 31st August 1951 and the materials will have to be supplied throughout the said period at the prices accepted herein and no enhancement of the said prices for whatsover reasons can be granted.

Please note that the materials to be supplied should strictly conform to the specifications given in the Schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection. Failure to make supplies in time and in accordance with the specifications will entail cancellation of the contract and purchases being made from other sources debiting the extra cost, if any, incurred by Government to you. In such an event, the Stores Purchase

Committee also reserve the right to levy a penalty, as and by way of liquidated damages of 3 per cent of the value of the order.

The bills of cost should be sent in duplicate to the Indenting Officers who will arrange payment.

Please acknowledge receipt of this communication. The above Local Indent Number should be quoted in all correspondence relating to this order.

The clocks and time-pieces to be supplied to the Director of Public Instruction in Mysore, should be inscribed with the letters "D.P.I."

You are requested to execute an agreement on a ten-anna Mysore Government Stamp Paper binding yourself to execute the contract satisfactorily and also deposit Rs. 100 as security.

Yours faithfully,

LOUIS DE SOUZA,
Secy., S.P.C.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919. in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13 dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

The maximum price at which Bengalgram should be ought or sold in the States as notified by the Government of India on 17th August 1950, and in this Government's Press Note dated 24th August 1950, does not apply the Kabuli and Gulabi varieties of gram.

In view of the decision to permit free movement of gram hroughout the country, the Ministry of food have ordered hat with immediate effect, movement of gram will not be ponsored either by the Central or State Governments. ny outstanding sponsorship certificate connected with ovement of gram should be treated as cancelled.

(P. N. No. 185—D 31-8-1950.)

Press Note.

The Central Government have intimated their decision abolish petrol rationing throughtout Mysore State from st September 1950, and have directed that their decision ould be implemented immediately.

The Motor Spirit Rationing Order in force in Mysore tate will cease to have force with effect from 1st Septemr 1950.

(P.N. No. 137—D 1-9-1950.)

Press Note

The following Note issued by the Ministry of External ffairs, Government of India, is republished for general formation :—

Evacuees from Burma started to return to that untry in 1946. It is felt that sufficient time has been ven to the evacuees to decide their future and that almost l the evacuees who intend to return to Burma have ready left India for that country. Government of Burma ve, therefore, decided that evacuee identity certificates ll be invalid for entry into Burma from 1st January 1951. vacuee identity certificate holders who do not return to rma by 31st December 1950, will therefore lose their acuee status and will become subject to the immigration gulations in the same way as other foreigners. The lders of evacuee identity certificates who intend to return arma are therefore advised to do so by 31st December 0.

(P.N. No. 139—2-9-1950.)

Press Note.

In spite of the appeal made to the public in the Press te dated the 5th May 1950, requests for extra rations in nection with special functions, either private or public still being received in large numbers and simultaneously plications are being made frequently for exemption from rule under the Mysore Food (Restriction of Service of als by Catering establishments and others), order of 1949 tricting the number to be fed or catered to 50 persons any occasion.

The food position in the State, more especially in respect rice, has further deteriorated since May 1950 even to point of being obliged to reduce the rice component of rations. That being so and the position of supplies n outside during the rest of the year being so uncertain re can be no question of complying with requests for itional or special rations. The acute shortage of foodins in the State is once again pressed on the attention of the public with a view to making it absolutely clear that requests for issue of special or supplemenary rations for whatever purpose or for relaxation of the rule regarding the total number of persons who may be served with food at a time, will be automatically rejected. Government trust that the public will appreciate the position and co-operate with the rationing authorities concerned.

Press Note.

Since exaggerated accounts alleging famine conditions in the Mysore and Chitaldrug Districts have recently appeared in the Press, Government desire that the real position in these Districts should be made known to the public to remove possible apprehensions in their minds.

Towards the middle of June 1950, conditions bordering distress developed in Gundlupet Chamarajanagar, Yelandur and parts of T.-Narasipur and Nanjangud Taluks of the Mysore District, as a result of failure of earlier rains and the consequent loss of mungar crop which is the main source of food supply in this area during this part of the year. Immediately on receipt of report to the above effect, measures were taken at once to open a large number of additional foodgrain depots in the areas affected and to rush special supplies of grains from Mysore and Bangalore in adequate quantities for being issued exclusively to persons affected by the failure of crop. The Hon. the Home Minister toured in these parts extensively in two consecutive weeks in July, with the Deputy Commissioner, Mysore District, and the Officers of the Food Department. After studying the situation at first hand and meeting the people in the various affected parts, the Minister was pleased to give necessary instructions for affording every possible relief then and there. Accordingly, action was taken to throw open State Forests and reserves for free grazing of cattle and to start a number of relief works all over the area to enable needy persons to obtain sufficient means for purchasing foodstuffs. At the same time, instructions were issued to relax the restrictions on the movement of foodgrains to facilitate the transport of grains for *bonafied* requirements of persons from neighbouring areas where foodgrains were available. The situation was continuously kept under watch through special reports obtained every week from the Deputy Commissioner and suitable steps taken from stage to stage to meet the situation. While the position caused some anxiety in the beginning as explained above, fortunately there were some rains in the affected areas in July which relieved the situation and to some extent made it possible for the agricultural operations to be resumed. To help the raiyats to bring as large an area as possible under cultivation, action was taken to collect and rush nearly 2,000 pallas of *hine* ragi from other parts of the District as well as from Bangalore District, which were distributed to the cultivators over the entire area. In respect of lands not ready for cultivation however, action is being taken to obtain *Ibbani jola* seed in sufficient quantities to enable as much of the area as possible not cultivated with ragi being brought under jola crop. The situation was thus kept under control and the recent rains all over the District, commencing from the 20th of August 1950, have relieved the position and restored confidence in the affected parts. The Government are fully alive to the need to keep the people in these parts adequately supplied with foodgrains till the next harvest. The present stock of foodgrains in the District is adequate to meet the normal as well as increased offtakes

in the areas of scarcity and there is therefore no longer any justification for the conditions in this part of the District being described as amounting to famine.

The general failure of rains from May to practically the end of July 1950, in the Taluks of Challakere, Jagalur, Molakalmuru and parts of Chitaldrug, Hosadurga and Harihar Taluks of Chitaldrug District gave rise to an anxious situation. There was difficulty both for food and fodder. But action was taken well in time to throw open the State Forests and reserves in the area for free grazing and to make increased quantities of foodgrains available to needy persons through the existing depots as well as through additional depots opened to meet the situation. The Deputy Commissioner and local officers were constantly in touch with the situation and took prompt measures to start relief works all over the area, thereby providing employment to the poorer classes. The situation has been kept under control and the recent general rainfall all over the District averaging about 1½ inches has considerably eased the position and removed anxiety. The present stocks of foodgrains in the District are fully adequate to meet immediate needs and steps have also been taken to keep the District supplied with sufficient quantities of foodgrains from other areas until the next harvest. The alleged death by starvation of two persons reported in one local newspaper is also found on verification to be quite untrue.

The latest situation in the affected areas of Mysore and Chitaldrug Districts was also reviewed at the meeting of Deputy Commissioners held in the Chambers of the Hon. the Chief Minister on the 24th August and necessary instructions issued to the Officers of the Food Department to keep the situation continuously under watch and to take every possible precaution to prevent any setback.

While Government are fully alive to the acute food position prevailing in the State at present and are taking every possible step to prevent any worsening of the same, it is also very necessary that the public on their side co-operate with Government fully in all the measures that are being taken from time to time and to desist from giving expression to alarming versions or views which are likely to create unnecessary scare among the people.

Press Note.

TREE PLANTING—JULY 1950.

In accordance with the suggestion made by the Government of India, regarding the celebration of the Tree Planting Week called "Vana Mahotsava" starting from 1st week of July, Government inaugurated the Tree Planting Campaign from the 1st July 1950. Arrangements were made to provide seedlings, plants, etc., to the Deputy Commissioners of Districts for distribution in rural areas. A special appeal was also made to Educational Institutions, Seva Dals, Scouts and other organisations to take part in the campaign. As per particulars so far received by the Commissioner for Rural Development in Mysore, a total of 521,894 seedlings of various kinds have been planted from 1st July 1950 up to end of 31st July 1950.

Dated 8th September 1950.

Press Note.

Certain Companies and individuals have approached Government for grant of permission to ply in Bangalore, auto-rickshaws run on petrol. It is understood that auto-rickshaws are in use in the States of Bombay, Madras and Hyderabad. The Government of Mysore have decided to introduce this form of conveyance in Mysore also. The auto-rickshaws have been classified for purposes of taxation as motor cabs under the Mysore Motor Vehicles and Road Traffic Act, and the Act has been suitably amended in the recent Budget Session of the Mysore Legislative Assembly.

2. The fares to be charged for the use of auto-rickshaws are now fixed by Government as indicated below :—

		Not exceeding
PASSENGER FARES:		
1. For the first mile or part thereof.	...	0 4 0 (Four annas)
2. For each subsequent quarter mile or part thereof.		0 1 0 (One anna)
WAITING CHARGES:		
3. For every 15 minutes or part thereof,	...	0 3 0 (Three annas)
LUGGAGE CHARGES:		
4. Per article up to one maund.	...	0 1 0 (One anna)

The other conditions under which the auto-rickshaws will be permitted to ply are :—

3. (a) No monopoly will be given to any individual or company ;

(b) As auto-rickshaws are classified as motor cabs under the Mysore Motor Vehicles and Road Traffic Act the auto-rickshaws will be registered, licensed and inspected subject to the provisions of the said Act and the Rules framed thereunder ;

(c) Not more than two adults and one child under 12 years of age will be permitted to be carried in an auto rickshaw. Two children under 12 years of age will be taken as equivalent to one adult, provided that not more than three persons in all shall be carried in an auto rickshaw, except the driver ;

(d) The permits will be cancelled at any time after giving three months' notice, if the working of the auto rickshaws is not found satisfactory ;

(e) Petrol coupons to auto-rickshaws will be issued as per rules in force.

It is proposed to issue permits for plying fifty auto rickshaws within the limits of the City of Bangalore Corporation for the present. The District Magistrate, Bangalore, has been authorised to call for applications and issue permits to the applicants selected by him in accordance with the conditions mentioned above.

PUBLIC ADVERTISEMENTS

OFFICE OF THE PRINCIPAL INFORMATION OFFICER TO THE GOVERNMENT OF MYSORE, OLD PUBLIC OFFICES, BANGALORE.

Press Note.

SUGAR PRODUCTION AND DISTRIBUTION.

Government have already indicated in their Press Note dated 13th May 1950, that in view of the limited resources of sugar in the State and poor prospects of sugar production during the next season, there was no other alternative left but readjust the issue of sugar to the available resources. The Government of India is being apprised of the acute sugar position in the State from time to time.

2. But as the Mandya Sugar Factory has not been able to recommence manufacture of sugar due to failure of sugarcane crop, and as the prospects of getting allotments from the Government of India in the immediate future are uncertain, this Government consider that it is necessary to effect further reduction in the scale of issues of sugar with a view to conserving the existing stocks, so as to spread them over as long a period as possible. Government have therefore ordered that an overall cut of 10 per cent in the sugar consumption be made mainly by reduction in the issues for (1) trade purposes such as manufacture of sweetmeats, confectionery, cool drinks, etc., and (2) hotels and establishments, without making any further reduction in the scale of rations to card-holders. As soon as adequate supplies become available, the quantity of above temporary cut will be restored.

(P.N. No. 142—D 7-9-1950.)

Press Note.

A WARNING TO DISPLACED PERSONS FROM WEST PAKISTAN.

In pursuance of Displaced Persons (Claims) Act, 1950 (XLIV of 1950), for the registration of claims of displaced persons from West Pakistan, the Central Government appointed Registering Officers throughout the country. The registration of claims started from 1st July 1950 and this will continue till the 30th September 1950 Thus a period of three months has been provided to the displaced persons to file their claims. It was estimated that at least 4 lakhs claims would be filed, but the fortnightly statement of claims received by the Central Claims Office from the respective Registering Officers has shown that the flow of claims has so far been extremely slow. The Minister for Rehabilitation, Government of India, in a broadcast from the All-India Radio on 28th July 1950, has stated that the displaced persons are not taking full advantage of the facilities offered to them by the Government for the registration of their claims, although there had been a pressing demand from the displaced persons to set up machinery for the assessment and verification of their claims. The displaced persons are, therefore, advised to make use of the facilities provided by Government for the registration of claims. They are warned that their cases may go "by default" if they do not register their claims to immovable properties as required by the Act. The period during which claims will be registered will not be extended beyond 30th September 1950.
